One paragraph about your organization's history/work:

Our charity began in 1998 in one room of a building in Wheeler and they were able to donate in 1999 \$1,000.00. Since then we have donated \$1,800,000 to North Tillamook County Charities. In 2004 we expanded and added another store in Rockaway Beach named Hope Chest Too Thrift Shop. The Too showing we were an addition to the first one. In around 2008 the Wheeler store experienced their third flooding, which the landlord would not correct, so a house in Nehalem was rented and it has proved to be a wonderful decision. We have 60 volunteers and are always looking for more as each store needs 24 volunteers a week to cover our shifts, which are approximately 3 ½ hours each. Some of our volunteers go south for the winter and others travel a lot sometimes for a month at a time. They are all wonderful to work with. All in all, we are very fortunate and appreciative to receive so many nice donations from the community. We get many complements on the cleanliness of our stores and merchandise.

One paragraph about your organization's history/work:

Due to COVID-19 we had to cancel events like the annual Dory Days and Blessing of the Fleet but were able to continue fishing from Cape Kiwanda, advocating for traditional launching and fishing rights and contributing to our fellow community organizations. Thanks to our steady and increasing membership dues, the PCDA is able to provide nearly \$10,000 annually to other programs and projects in the community and fortunately this year was no different. Additionally, to address community needs around COVID-19, the PCDA was able to provide \$1,000 in funding to the Tillamook County Food Bank in the spring. In early fall the PCDA hosted a community cleanup day which included a beach cleanup of the traditional dory beach adopted through SOLVE, removing dozens of wheelbarrow loads of sand from the curbs, sidewalks, and observation deck at the Cape Kiwanda parking lot, trimming back beach grass as well as weed removal from the area. The group of 20 PCDA supporters then moved to the Kiawanda Community Center to install the Chief Kiawanda sign that we rebuilt in the previous week after it had sustained wind damage and cleaned the gutters on the building.

Mission statement: To provide fishing and/or hunting licenses for youth ages 12-17 (to their 18th birthday) who attend school in the Tillamook School District.

One paragraph about your organization's history/work:

With cooperation from Tillamook Sporting Goods, (TSG) certificates are available in each Tillamook School District school office, and during the summer at the Tillamook School District office in the Grants and Foundation Director's office. Students complete the certificates and take them to TSG to redeem for their licenses. Certificates need to indicate the youth licenses desired. The WTB Foundation will pay for Youth Fishing Licenses which includes Angling, Shellfish, Columbia River Basin Endorsement, Youth Combined Angling Tag, as well as the Hatchery Salmon/Steelhead Harvest Card. The Foundation will also pay for the Youth Sports Pack: Angling, Shellfish and Hunting license; combined angling tag; spring turkey, cougar, general or controlled bear tag, elk and deer tags, upland bird and waterfowl validations and the Columbia River Basin Endorsement. We ask that only serious students request the Youth Sports Packet and have the skills, equipment, transportation, adult assistance, and permission of land owners necessary to utilize it as well as the intent to use it on multiple days of each season. To hunt before age 18 you must show proof of completion of a hunter education program. Go to: <https://www.tillamookcountypioneer.net/sign-up-now-for-a-hunter-education-class-or-field-day/> for information about online hunter safety course and field days. See page 20 of the Oregon Big Game Hunting Regulations. The Foundation will also pay for Single Day Licenses.
